

You are invited to an Interactive Researcher Workshop Involving families and community members in your research

Presented by Anne McKenzie, AM.

Head, Consumer and Community Health Research Network

Developed in direct response to researcher enquiries about practical ways to involve consumers and community members in their research this workshop was designed to help researchers:

- Increase awareness of the value of involvement
- Develop understanding and skills on the 'how and why' of implementing involvement
- Identify and address the barriers to consumer and community involvement

You will learn from researchers and community members with first-hand experience of consumer and community involvement in research.

9.00am – 4.30pm, Saturday 11th November 2017

Centre for Children's Health Research, 62 Graham Street, South Brisbane, Qld

This workshop is provided free of charge by AusCP-CTN.

Training materials and lunch will be provided.
